PRAISE AND PRAYER

September 8, 2026

GOD’S WORD:

*“for it is written, ‘As I live, says the Lord, every knee shall bow to me, and every tongue shall confess to God.’”
Romans 14:11-12*

Shut In:

Gerry & George Brill, 46 Bodine Street, Wellsboro, PA 16901.

CURRENT PRAYER REQUESTS: Dealing with illness:

Jared Bump Holly Doud Tim Bunn Amanda Forrester Dawn Tinney Carole Wetherbee Earl Alexander
Stephen Ziemak Frances Vetter Jim Worden Jean Carleton Diane White Merlin Benner Jane Carson

Praise for:

- God’s Word: One day we are each going to wake up and find ourselves standing in the presence of God. Each one of us will give an account of himself.
- Heart Cry Missionary Society as they help to spread the Gospel and convey Biblical truth. Check out the newest issue of their magazine in the Missions rack in the lobby.
- God’s Creation – Ever wonder why geese fly in that V formation? The passage of the leading bird through the air provides an aerodynamic increase in the lift to the bird following behind. This ideal location is just above, behind and to either side of the lead bird, which in turn develops the iconic V formation – known as an echelon.

Please pray for our college students:

Megan Mosher, 105 Broughton Hill Rd., Wellsboro, PA 16901.

Pray for:

- Cameron Fabian (Shadel’s nephew) hospitalized with meningitis. Pray for his recovery and that there will be no lasting neurological or ophthalmological side effects.
- Brooke Snyder dealing with kidney stones. Pray for complete recovery and no need for additional surgery.
- Jim Spina will be undergoing some tests to determine if a new procedure will reduce his back pain. Pray also for Marcia and Marcia’s mother as the family decides the best long-term care for her.
- Nancy Cobb recovering at home from abdominal surgery.
- David and Joan Miller both dealing with medical issues.
- Bill and Diane Lichty that a housing situation can be resolved fairly.
- Jake West scheduled for parotid surgery the 15th (to remove a tumor). Please specifically pray that there will be no permanent nerve damage (a high risk of this surgery). Also remember his daughter Hannah, scheduled for serious spinal surgery the 30th.
- George Gamble continues immune therapy infusions (every 6 weeks) and oral chemotherapy.
- Kid’s Club starts this week.
- Sam Jacobsen’s grandmother moving to a long-term care facility. Pray also for his grandfather’s adjustment to this situation. Pray for family support and understanding.
